REQUEST FOR CERTIFICATE OF CORRECTION PURSUANT TO 37 CFR 1.322

Dear Sirs:

Patentees respectfully request a Certificate of Correction to be issued for the above-identified U.S. Patent correcting the patent as noted in the attached "Certificate of Correction" Form PTO/SB/44.

The error now sought to be corrected is an error which incurred through the fault of the U.S. Patent and Trademark Office. The correction does not involve such changes in the patent as would constitute new matter or would require reexamination.

In the "Updated Filing Receipt," dated April 19, 2001, inventor's name (Tasuya Sasaoka) correctly reads --Tatsuya Sasaoka--. A copy of the "Updated Filing

F-3 JAN 2005

123 JAN

Receipt," is enclosed herewith as evidence to show that the error is attributable solely to the Office.

Therefore, the inventor's name (i.e. Tasuya Sasaoka) on the issued patent is clearly an error by the U.S. Patent and Trademark Office. Applicants respectfully request expedited issuance of Certificate of Correction.

The error set forth in the proposed Certificate of Correction was the fault of the USPTO. Accordingly, no fee is required. However, the Commissioner is hereby authorized to charge any fees associated with this communication to Deposit Account No. 19-3140.

Respectfully submitted,

Dated: December 21, 2004
